

JACOB'S LADDER

St. Jacob's Lutheran Church

FROM THE PASTOR: A Few Words about Holy Communion

One of the things I enjoy most about being at St. Jacob's is that our congregation has a very high regard for the sacraments. Holy Baptism and Holy Communion are the means through which God personally, physically and spiritually imparts His grace upon us. I am a bit concerned; however, at the amount of consecrated wine that seems to be wasted each week. Most members probably don't realize it, but the majority of wine used each week is poured out, especially on days we serve by intinction. This is due to the size and shape of our chalices. But even on days we serve by individual cups, there is still too much wine left over.

Jesus says of the bread and wine, "This is my body...this is my blood." Therefore, we are bound by faith to handle these elements with the utmost care and reverence. I have been working with members of the Altar Guild to address the problem of wastefulness. We have discussed simple modifications to the way we dispense the bread and wine. I believe that soon we should be practicing better stewardship of the communion elements.

Pastor Nuottila's sermons are posted on our church Website. Please pass this word along to anyone who cannot worship with us on Sundays.

Summer Sermon Series

On Sunday, June 3, Pastor David will begin a summer sermon series based on the Ten Commandments. Join us for worship this summer as we take a close look upon God's expectations for His people, and the commandments that define God's relationship with those who are saved by grace through faith in Christ.

Worship & Music News

I want to give a huge shout-out to the Children's Choir! They are a fantastic group of young Christians (and believe me, they know how to spell that word!) and I am enjoying every minute I have with them. To the congregation, thank you so much for your support of this ministry. To the parents and grandparents who bring the children to practice, thank you for encouraging them to participate. To those who have volunteered to assist at the practices, your presence is invaluable; it doesn't just help me out, it also shows the children that you see the Children's Choir as an important part of ministry at St. Jacob's.

Just a reminder that you still have time to put your favorite hymn in the box in the Narthex. To fill all the anthem spots for June, July and August (except for Homecoming, which will have its own special music), we need **12 hymns!** Hopefully, there will be *more* than 12 hymns in the box, in which case, we will use any remaining ones as communion hymns this fall. The box will be in the Narthex all summer, so you can drop a hymn in at any time.

Soli Deo Gloria,
Laurie

From the Pastor's Heart

[Jesus said] Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit. Matthew 28:19

Many folks express a common concern when it comes to church worship attendance. "How can we grow in number?" "What can we do to attract new members?" These are two frequently asked questions. They are very good questions, but it seems that so often we struggle with the answers. Could it be our focus is misplaced? Or Perhaps our definition of evangelism needs clarification. It could be our hopes and expectations are what need to be re-aligned rather than our focus on membership rolls.

It goes without saying that as we welcome visitors among us on Sunday morning, our worship is enhanced and we are glad they are here. Wouldn't it be great if we saw several new faces among us each week? In that light, perhaps it's time we roll up our sleeves and get back to the basics. After all, it's not just that we want more people to worship with us. Rather, we have a wonderful gift that we are called to share; the gospel of Jesus Christ.

Before we can grow the church, we must first learn to grow as disciples. We must learn that living within our baptismal covenant with God means loving God with all our heart, and loving one another as we are loved. We need to come to the house of the Lord for worship, prayer and fellowship. Living together in Christ means enjoying the gifts we all bring to those gathered in this place and beyond. It means sharing our mutual joys and celebrations, grieving together in our losses, and experiencing life together. God calls his people to lives of faith, love and service towards their neighbors. These sound simple, but the reality is that most congregations struggle with the aspects of discipleship. Certainly, we have room for spiritual growth.

The life we present to the world makes a difference. All too often, the un-churched look upon Christians and see no appreciable difference in the way they live their lives. Too many Christians continue to live according to a worldly standard. Jesus, however, calls his disciples to live for God alone, loving and serving as Christ

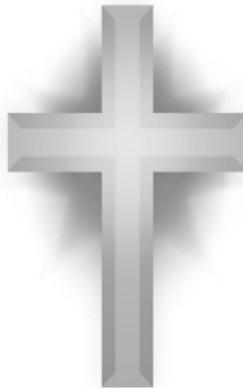

loved and served. The world is filled with people searching for hope, peace and love in their lives. Such hope is made sure and certain through Christ, and seen through the Church at worship, in the community and in the mission of God according to the gospel. Such hope is shared by those who know Christ as Lord and God. Such is the life Christians are called to live. In short, we need to study God's Word earnestly and learn to apply it to every aspect of our lives.

Sharing faith and God's love is what brings people into the community of believers. When the un-churched see the people of God living differently, they are provided a vision of hope for a life filled with God's blessing. The real evidence that we are doing the work of evangelism comes when the life we live as Christians looks less like a fallen and broken world, and more like a community of faith, a community inviting others to come and see the goodness of God.

The evangelizing Church is one that grows in faith and love. It is filled with disciples, not members. Growing together in faith and our calling as disciples will most certainly strengthen our ministries. My prayer is that we are faithful disciples, serving as Christ served. In order to do that, we must first grow in faith and learn to share our many blessings with others.

Grace and peace,

Pastor David Nuottila

Important Information

COFFEE TALK - As a means for communication and information, once per quarter, Pastor David, will be sharing thoughts and insights with our church family, and answering a few questions along the way. This "Coffee Talk" will take place during our coffee hour every third month. Following the worship service on June 3 make plans to attend. The session will last about 30 minutes in the fellowship hall.

CHILDREN'S CHOIR –The Children's Choir will practice on the 1st & 3rd Sundays of each month, from 5-6 pm, in the church. Also, we will continue to have a short, 10-minute music session at the beginning of Sunday School from 9:15 to 9:25 AM in the nave of the church, after which your children will be accompanied to their classrooms.

CONGO MISSIONS –The monies received in the pickle jar each week will benefit the orphan children in Congo as we provide food and other necessities.

FAVORITE HYMN – What is your favorite hymn? Haven't heard it sung lately? Wish we'd sing it more often? Well, here's your chance. This summer, we'd like to sing YOUR favorite hymns as anthems. Put the title of the hymn (or lyrics if you're unsure of the title) into the box in the narthex. Then, one of the children will draw a hymn from the box and that hymn will be the anthem for the following Sunday. So don't be shy – tell us those favorite hymns!

NOISY OFFERING IN JUNE – During the children's sermon each Sunday in June we will have a noisy offering to repair the roof at the Lutheran church in Boma, Congo. All you need to do is bring plenty of change and throw it in the buckets as the kids come to collect it from you.

VBS— **GAME ON** is scheduled for July 15-19. We invite your kids to grab their megaphones, lace up their cleats, and tune up their instruments. As they fill up the offensive line, sideline, and drum line, your players, cheerleaders, and band members will realize God has given them His ultimate playbook. He wants them to join His team, train hard, celebrate salvation, and encourage one another. Get in the spirit with Game On – Gearing Up for Life's Big Game! (2 Peter 1:3) Adults don't forget we will also be having classes for you too, so Game On.

INVITE YOUR 1 – A study done several years ago of Christians and evangelism found that Christians who attend worship regularly within main line denominational churches seldom invite others to worship with them. Some surveys indicate the average Lutheran Church member invites only 1.2 people to worship in their lifetime.

One of the Core Values of the North American Lutheran Church is to be a mission driven church. Being mission driven means many things. One of these is that we are a church committed to sharing the gospel of Jesus Christ. One of the simplest and most effective ways to do this is to invite friends and neighbors to worship with us.

During the summer months, Pastor David is challenging each church family member to invite at least one person per month to worship with us. It can be someone you have known for a long time, someone you recently met, or perhaps even a stranger who was in line ahead of you at the market. Whoever it is, invite them. But don't be discouraged if they don't come, just keep inviting. Invite your one, and share the good news!

Lutheran Men News

The Lutheran Men are planning for their annual pork BBQ and Hash fundraiser. The cost is \$8.00 for a pound of BBQ and \$8.00 for a Quart of Hash. As in the past, orders can be picked up in the church fellowship hall on Friday, June 29 between 3:00 and 6:00 PM and on Saturday, June 30 between 8:00 and 10:00 AM. Please see a member of the Lutheran Men place an order or contact Robert Lindler (cell, 206-5056) by Wednesday, June 20, to place your order.

We will meet June 24 at 6 PM in the fellowship hall because of Father's Day. Bob Ziemer has devotions. Cooks are Davis Brown, Barry Rice, Bob Ziemer.

Up and Going

On Thursday, May 10th, twenty-one members and guests boarded the St. Jacob's Express and headed for a day in Charleston. Ray Seay gave the devotions based on daily opportunities given by God for us to acknowledge God's presence in our lives. He ended with prayer and asked God's blessings on our trip. We arrived at Gilligan's and enjoyed a delicious seafood lunch. We then headed to

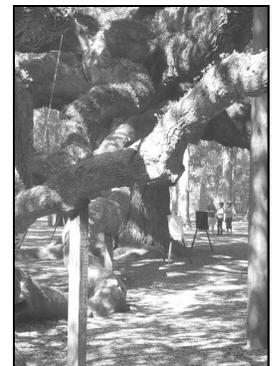

Wadmalaw Island for a tour of the Charleston Tea Plantation. We took the trolley ride tour through the tea fields, stopping at the greenhouse and other points of interest. The trolley driver gave a wonderfully informative commentary on the workings of the tea plantation. We got to see Steve, the expert tea blender and taster at work in the greenhouse and in the field. Our trolley was equipped with speakers so that we could enjoy a narrated tour by William Barclay Hall, founder of American Classic Tea and world renowned tea taster. We went on the Factory Tour, using flat screen TV, you could see the production process while overlooking the factory. Both were great tours! We enjoyed tea tasting and making purchases in the gift shop.

Then it was time to move on to the Angel Tree, the oldest Evergreen Oak tree in the country. Impressive and so beautiful. Then it was time to go home....

Thank you to Gerald Lindler for driving for us and being patient and helpful. We had a great time on our Charleston adventure.

Our next meeting will be on Thursday, June 21. We will be going to Saluda, NC and having lunch in Hendersonville. Continue to watch your worship folder for more information.

Thanks, Helen

SAVE THE DATE - SATURDAY, OCTOBER 13

The Stewardship Team is planning a Yard Sale again this year. One person's junk is another person's treasure. I'm sure you've heard that before, so ask yourself: "Have I cooked with it, worn it, displayed it, used it or read it within the last year?" If your answer is NO and the item is still in pretty good condition, then donate it to our yard sale.

Begin your spring cleaning now and donate those gently used items for our sale: **clothing, books, house wares, dishes, glassware, furniture, and operable lawn equipment, but PLEASE no televisions, computers, printers or computer related items.**

You may bring your items to the church and place them in the office garage.
