Pastoral Devotion for November

Christ the King

For just a few seconds, close your eyes and relax. Get comfortable, clear your mind and imagine seeing Jesus. Imagine actually seeing his face, imagine being there with him. What image did you see? Did you see him as a baby born in Bethlehem? How about as a shepherd, or blessing little children? These are often the images we see of Jesus in our mind. Such images provide us with popular metaphors associated with Christ. Jesus our friend, Jesus our brother, Jesus our comforter. We learn to see Jesus as the one who walks with us and talks with us.

I would imagine that few if any saw Jesus as King. Kings aren't normal images for too many folks these days. In folklore, Kings wore long purple robes and golden crowns. Today's kings mostly wear suits and look like presidents, or wear military uniforms and look like soldiers. Jesus doesn't fit these descriptions. He doesn't wear gold around His neck or rings on His fingers. He doesn't wear a suit and certainly not army fatigues.

I'm curious, when you imagined seeing Jesus, how many saw a man beaten to within an inch of his life, his outstretched hands nailed to a cross beam and gasping for breath with bystanders mocking and taunting him? Oh...and as for his crown? Thorns, sharp and pointed; digging into his forehead. When a few finally recognized Jesus as King, this is the image they had before them. Yet, in this image we see the glory of our King Jesus.

Jesus came to earth to save His people from sin. He came to rescue those who believe in Him from eternal death. In the stripes of His wounds runs the blood from which we are saved. From His dying words, "It is finished" we have the proclamation that Christ has won the victory, God and creation are reconciled through His innocent death on the cross.

So once again I invite you to close your eyes, picture Jesus in your mind. What do you see? Yeah, me too. I see the babe of Bethlehem, the Good Shepherd and the one who feeds the hungry and cures the sick. But that's ok, that's who Jesus is as well. And next week Matthew will begin telling us the story in his words; the story of Christ our King.

Pastor Nuottila's sermons are posted on our church Website. Please pass this word along to anyone who cannot worship with us on Sundays.

Up and Going News

The Up and Going made the annual Apple Run on September 26. Sandra Brown boarded the bus and gave the devotions reminding us of 9/11 and God's Love and Care. Thirteen members including one guest had a delicious meal at the Golden Coral in Hendersonville, NC. We went to the Lyda Farms and carefully chose apples, cabbage, tomatoes and other goodies. This is such a pretty place to visit and shop. We have been visiting Lyda Farms for 20 years. It sure has grown and developed beautifully. We made pictures and enjoyed walking through the displays. A storm was brewing so we loaded up and headed home. The bus was filled with laughter and conversation as we traveled home via I-26. Thankfully, we arrived at St. Jacob's before the rain. We sincerely appreciate Gerald Lindler driving for us and helping load and unload our purchases.

Worship and Music

One of the busiest times of the church year is rapidly approaching. Between now and the end of the calendar year, there are many special services in the life of the church:

- All-Saints Sunday on November 4th when we remember our loved ones who have passed to the Church Triumphant
- Thanksgiving Eve service on Wednesday, November 21st at 7 pm when we pause to give thanks for all the gifts the Lord has given us
- Christ the King Sunday on November 25th which marks the end of the church year
- The season of Advent begins on Sunday, December 2nd with the Wednesday evening Advent services at 7 pm on December 5th & 12th; December 19th will be a Blue Christmas service (more to come in the December newsletter)
- Christmas Eve service at 7 pm on December 24th
- Day of Epiphany on Sunday, January 6th with a special musical offering presented by the combined choirs of St. Jacob's and New Hope

Mark your calendars, make plans to join us for these services and invite friends to visit.

Soli Deo Gloria,
Laurie

From the Pastor's Heart

It's hard to believe it's already time to write my article for the November newsletter. Today, it's raining, strong winds are blowing, and tropical storm Michael just deposited a tree in my driveway. I am also preparing to go on vacation tomorrow (Oct. 12) but truth be told, my mind is on our shared ministry in November. This is a busy time for the Church, and November is a month filled with opportunities to serve God and His people.

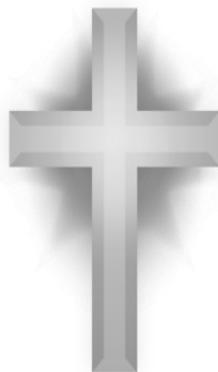

Think about it. We begin November as a church family celebrating the Sunday of All Saints. We remember fondly those beloved saints who have gone on to glory before us. It is a special time for Christians as we reflect upon the lesson taught to us by so many faithful followers of Christ Jesus. It's also a time for us to consider the ways we serve our Lord as well. Then, a few weeks later, we conclude the month in celebration of Christ our King, a time to reflect upon the ways our Lord makes His grace known throughout the seasons of the Church.

Sandwiched in between these two festivals, there are so many other things that beg for our attention. There are elections of government officials and football rivalries to enjoy. And don't forget setting time aside to enjoy the annual Thanksgiving feast! All of these beg the question, "How do we juggle the demands of our daily life and our life as a disciple of Christ Jesus? It seems something has got to give.

Sadly, all too often it is the church that takes a back seat. As life gets busier and busier, we know and understand that we must cut back. Each of our activities is important to us, and we hate to miss out. But God calls his people to be disciples first and above all else. This is where All saints Sunday and Christ the King intersect. Remembering the saints who taught us the faith, we strive to follow the example of Christ our King. Doing this, we follow the faithful examples of

those saints who have died and now live in Christ's glory. One such person in my life was my Grandma Bea.

Grandma Bea was a leader in the community in which I grew up. She was the first woman ever elected to our town's council. She was also chairwoman of the Northville Beautification Society, and the founder of the Northville Business and Professional Women's League (some of you may have noticed her B.P.W. placard on my desk). Somewhere in all that, Grandma found time to put up preserves and vegetables, care for her many grandchildren, bake wonderful bread and volunteer with the Red Cross. I don't know how she managed to do all of this. I do know, however, that she never missed a Sunday in church, she was a generous giver with her tithes, and always took time to tell others of the wonderful things God has done and continues to do.

This November, I invite you to remember the saints who have gone before us and follow their many examples of faithful living. There is much to do here at St. Jacob's, many ways of being a part of our ministry together. Above all else, remember to attend worship each Sunday and give thanks to the One who provides all we need, and whose mercy and grace endure forever.

Grace to you and peace,
Pastor David Nuottila

UPCOMING INFORMATION

COFFEE FELLOWSHIP– We will have our Coffee Fellowship on Sunday, November 4 after the service in the Fellowship Hall.

WEDNESDAY MORNING BIBLE STUDY has resumed for those who are able to attend. We will be meeting in the fellowship hall on Wednesday mornings at 9:30 AM. For our topic we are taking a look at several beloved hymns, their history and what they teach us about God's mercy and grace through Christ Jesus. We will especially look at the hymns for Advent and Christmas. Join members of your church family on Wednesday mornings for this study and learn more about some of the beloved hymns of the Church.

ALL SAINTS SUNDAY– The celebration of All Saints is Sunday, November 4th. During the Prayers of the Church, we will remember those members of St. Jacob's who have joined the Church Triumphant since last All Saints Day. During the prayers, as each name is read, a candle will be lit in memory of our loved ones. We welcome the opportunity to remember those who have gone before us in faith, and look forward to the day when Christ reunites all of his people in glory.

THANKSGIVING EVE SERVICE – Our annual Thanksgiving Eve service of worship will be held on Wednesday, November 21 at 7:00 p.m. Join members of your church family as we lift our thanks and praise to God for all the blessings poured out upon His people. Invite your friends and neighbors and together we will make a joyful noise unto the Lord.

MARRIED COUPLES RETREAT – Our first annual Married Couples Retreat, to be held at beautiful Camp St. Christopher on Seabrook Island is less than ninety days away. This retreat will offer married couples from St. Jacob's a time away for relaxation, Bible study and growing in faith together, while enjoying the beauty of God creation.

The retreat will begin at 7:00 pm. Friday, January 25 and continue through 11:00 am. Sunday, January 27. Participants may check-in on Friday as early as 3:00 p.m. Dinner on Friday is on your own. Registration fee is \$300.00 per couple. We still have room for several couples to join in. Please register as soon as you can in case we need to arrange for additional lodging. Registration forms are available in the Narthex. Please contact Pastor David Nuottila if you have any questions.

CONTACT INFORMATION NEEDED – In this "electronic age" we need to have up-to-date contact information in order to keep the congregation informed. If your contact information (home phone, cell or email) has changed, please let us know so you won't miss out on important church news and happenings. We especially need to know if your land line telephone has been removed and you are using only cell phones. You can indicate changes on the friendship register page, use a "Change of Address" form in the pew racks or call the church.

LIFE TO LIFE DISCIPLESHIP – Our Life to Life Discipleship program has kicked off with the beginning of two small group studies. Just as the twelve apostles learned from their Master, Life to Life is an opportunity for church family members to study the Scriptures with their pastor and be equipped to become examples of a living faith. Over time, our small groups will expand, and more church members will become a part of this ministry. In time, we will see a discipling culture emerge where people joyfully live out their faith, seeking God's kingdom first, while sharing their faith with others. This is exactly how the apostles built the Church, and how it grew stronger over time. Meeting people where they are, sharing faith, and growing the church one life at a time.

LUTHERAN WOMEN – Our next meeting will be Sunday, November 18 at 4:30 PM in the Fellowship Hall. June Lindler will have devotions.

LUTHERAN MEN – Our next meeting will be Sunday, November 18 at 6 PM in the Fellowship Hall. Ken Smith has devotions. Our cooks will be Eddie Epting, Ken Smith, and Don Dease. Also, don't forget following the Thanksgiving Eve Service to bring your cakes or wrapped cakes slices and meet the Lutheran Men in the fellowship hall to prepare the cakes to be taken to the HUB so families in our community can have a Thanksgiving Meal.

Council

St. Jacob's Lutheran Church Congregational
Council Briefs for October 11, 2018 Meeting

Council noted Good Things at St. Jacob's this month included that the October fest was a big success. Everyone seemed to thoroughly enjoy the German food that was prepared. The congregational meeting on September 30th went well. St. Jacob's looks forward to bringing on a new Director of Youth and Family Ministries. The Youth choir is doing an excellent job under the direction of Angela and Laurie. They make a dynamic team and the children are singing so well! A special thank you is extended to Angela and Laurie for your continued work with the newly formed Youth Choir.

Pastor Report- Pastor David noted that South Carolina is now the largest (46 congregations) geographic area in the NALC. South Carolina will elect its own Dean and each region will have their own Dean. Pastor commented that by dividing into more regions this will reduce the Bishop's travel during the year.

Pastor David was very pleased with October fest and hopes to continue this annual tradition at St. Jacob's.

Pastor David would like to create a Disaster Response protocol for St. Jacob's. This would require the church to gather materials to get to the various staging areas after catastrophic damage. The Disaster Relief Coordinator for the NALC is Ms. Mary Bates.

Staff Support- The Staff Support Team is advertising the position for Director of Youth and Family Ministries. The position is also listed on the St. Jacob's website.

Spiritual Life- The donation from the Altar Guild for new communion ware was approved by Council. These new items were ordered from "CM Almy" and St. Jacob's looks forward to the use of these new and improved pouring chalices and flagon.

Short Term- Council approved that the settlement we receive for our damaged parking lot from SCE&G, be earmarked for the specific purpose of repairing and paving our parking lot in the future.

Parish Life- The Up and Going Group made their annual Apple Run trip on September 26, 2018. The group visited "Lyda Farms" in Hendersonville, NC. Lyda Farms is a 5th generation family farm that has been locally growing fruits and vegetables for 60 years. The St. Jacob's Up and Going group enjoyed purchasing apples, cabbage, tomatoes and other goodies. A big thank you to Gerald Lindler for driving the group and helping unload all their many purchases!

Support of Ministries- Cemetery Team needs to schedule a work day for cemetery work. The volunteer turn-out for this specific work day needs to be excellent in order to accomplish all of the work that needs to be completed.

Statistical information- 356 total membership as of 10/10/2018

NALC Disaster Response

With the ongoing recovery from Hurricane Florence and now the recovery efforts from Hurricane Matthew, there is an urgent need for disaster response items. As we are able, St. Jacob's should help meet the needs of others just as we would hope our neighbors would come to our aid. Our congregation's focus is on three items for recovery; flood buckets, health kits and cases of bottled water. Please provide these items as you are able. We can store them on the stage in the fellowship hall and then deliver them to St. Peter's Lutheran Church in Lexington. If you are not able to put together a flood bucket or health kit, you may donate a gift card from either Lowes or Home Depot. Gift cards can be dropped off in the church office or placed in the offering plate on Sunday.
