## PASTORAL DEVOTION FOR NOVEMBER

### Can You Drink the Cup?

*Read Matthew 20:17-28*

On his way to Jerusalem, the mother of James and John requested that her sons be given places of honor next to Jesus' throne. Jesus looked at the two disciples and put forth his own question; "Are you able to drink the cup that I am to drink?" Jesus knew the cup he was given by his Father meant he would suffer and die for the sake of God's people. The cup he is to drink is the cup of God's salvation; a cup that comes at the cost of pouring out his life.

Jesus asks, "Can you drink the cup?" In Faith we answer "Yes, but how?" Jesus gives clear instructions; deny yourself and take up your cross. Drinking the cup of Christ means suffering with him, serving others, enduring hardship, and having faith that God will equip us to do these things. It means putting away our selfish ambitions and extending our hands to meet the needs of the poor, hungry, and lost. Drinking the cup means loving God and loving neighbor first, offering our lives to Christ in order to gain life in God's kingdom.

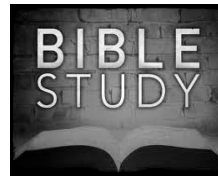

Can you drink the cup? With God's help, yes you can.

*Prayer: O Lord, give us the strength and the will to drink your cup, that we may follow Jesus' example of love and service for the sake of others. Amen.*

Pastor Nuottila's sermons are posted on our church website. Please pass this word along to anyone who cannot worship with us on Sundays.

## YOUTH DIRECTOR & FAMILY MINISTRIES

The second annual Oktoberfest Fall Festival is in the books! Despite the rain, which moved a few activities indoors, it was a great day spent with our church family. I wanted to especially thank everyone who helped out, I couldn't have done it without you! While reflecting on the week, I was reminded just how lucky I am to have a home at St. Jacob's. I have shared with a number of you the many life transitions that I am currently going through and love getting to hear about the times when many of you were where I am. The thing I have learned the most over the past couple of months is that change can be a good thing. God is continuously changing us and molding us to ultimately be like Him. Even though this may not always be comfortable or line up with where we think our lives are going, we can rest in the fact that He has a plan.

The good thing is that He gives us each other to walk through these things with. We can bear one another's burdens, overlook faults, let offenses go quickly, react out of love, show support, and be there to help or maybe just hold. During these times, we are being molded by God Himself and the Word says He will return for a Church without spot or wrinkle, therefore we need to go through the fire, of refinement, we need to press in and through times of change. I want to encourage you with this: if you're going through a transition season, do not let your heart be troubled, see the good, hold fast to the truth of the Word and the promises of God, and press into your family at St. Jacob's. Let's enter this next season like never before. If you have a need, allow someone to meet it. If you want to bless someone, absolutely go for it. If you have an unsolved issue with a brother or sister, take it to the cross and then to that person for forgiveness. It's refining season and I believe we will begin to see the fruit of accepting these changes in and around us.

Grace & Peace,  
Rachel Shelton

## From the Pastor's Heart *by Pastor David Nuottila*

*Enter his gates with thanksgiving, and his courts with praise! Give thanks to him; bless his name! For the LORD is good; his steadfast love endures forever, and his faithfulness to all generations. Psalm 100:4-5*

Waking up early on Thanksgiving morning, the house is already filled with the most pleasing aroma. The feast is being prepared. Perhaps the pies went in first, then the casseroles. In due time, while the parades are concluding and as the pre-game shows begin, the turkey is popped in the oven. Then, after the game, the table is set and the food is blessed. Dig in everyone, for that is how we give thanks in this day and age.

If the above paragraph rings true (for the most part) then consider this. Behind the dumpster, which is filled to the brim, a small homeless family seeks warmth and shelter from the cold, misty rain. The mission doesn't open its doors for another two or three hours so the family waits patiently along with the others who have gathered. Then finally, the doors creak open and the usual crowd shuffles in. Among them are some new faces yet, each has the same expression.

Long tables are set with paper plates and plastic cups. Plastic table cloths decorated in autumn colors blend nicely with the napkins adorned with the same pattern. Then the food arrives; a feast to the eyes and a circus for the senses. The flavors of each dish are matched perfectly with the smiles of those generous souls who volunteered to host the banquet. Then suddenly a pause, a pastor offers grace and asks God's blessing upon not only the meal, but for those who enjoy each bite. This, my friends, is how thanks are given in the kingdom of God.

The psalmist who wrote the prayer of thanksgiving above calls upon the people of God enter the

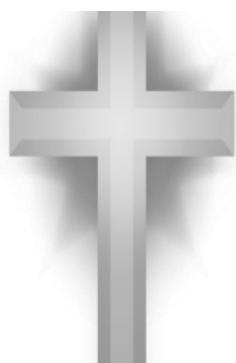

kingdom with thankful hearts. God has provided and will continue to provide for His people. Made sure and certain by our heavenly Father is the safety and security of His eternal kingdom of glory. The hope of rescue from sin and the grave is made a reality through the offering of His Son Jesus Christ. And since God has acted in such a way for His people, our response to enter His gates with thanksgiving, praising and blessing His name forever.

In *Matthew 25:34-40*, Jesus teaches us that our thankful response begins by serving. We serve the God we cannot see by loving and serving the neighbor we can see. Jesus says, "For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me" (*Mt.25:35*). To share Christ's love in such a way is to share the kingdom of God with those whom God has placed within our midst. Truly, as we do it unto them, we do it unto Him.

I pray you have a wonderful and joyous Thanksgiving holiday. I pray that as your home is opened to family and friends, it is also filled with smiles, laughter, and the Spirit of love for the Lord. It is also my prayer for our church family, that as we pause for this Thanksgiving Day, we would live lives of thanksgiving for all God has done and continues to do for His people. I pray that, year round, we would share the love of God by loving and serving the neighbor God has shown to us. For in this, we proclaim that the Lord is good; His steadfast love endures forever, and His faithfulness is for all generations.

Grace to you and peace,

*Pastor David Nuottila*

## UP AND GOING

Thursday, Oct 12<sup>th</sup>, was a beautiful day as thirteen boarded the St. Jacob's Express for our next adventure. A short business meeting was held. Helen Lindler gave the devotions based on travels and the wonders God has created for our enjoyment. She challenged us to find something new today and give our thanks to God for this gift.

The group headed to the Center for Advanced Technical Studies located on the Spring Hill High School Campus. Mr. Will McGinty, Assistant Director for the CATS Center, welcomed us for our scheduled tour. Imagine our delight when the first room we passed, we met Sandy Ellisor, a fellow member of St. Jacob's. Several of the areas we toured were different pods, classrooms, and work laboratories. Some of the areas were Engineering Design, Aerospace Engineering, Robot Technology, Movie and Journalism Technology, Computer Nerd Laboratory, Electricity Lab, Construction Technology, Criminal Justice Technology, Veterinary Services, Firefighter Lab, Energy Technology, Nurses/Health Sciences, Hospitality Services, and The Commons Area.

An interesting fact of the Firefighter Lab Studies is students are ready to be hired as a firefighter...ready to go to work, no other training required. Viewing the Chef's Galley with students measuring, cooking, and performing other aspects of the preparation of food was interesting. The Chef answered questions and gave pertinent comments. Fair food was being prepared that day which consisted of funnel cakes, corn dogs, and cookies. They smelled so good.

This list does not include all areas of study and on-hands training. Our tour ended with a

question and answer session and informative comments by Mr. McGinty. The CATS Center is a state-of-the-art facility and serves as an example for local schools and international programs. Approximately 1,000 students attend the CATS Center each day. Last year 11,000 people enjoyed these tours. The CATS Center was simply fascinating to see what is available for our youth to learn. Each area has numerous computers, used for study and design. These classes help to send youth out into the world prepared to work or to obtain certification in much less time than normal. These programs benefit both college and non-college bound youth.

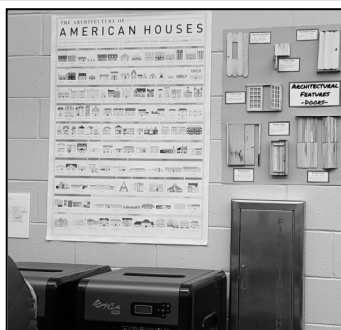

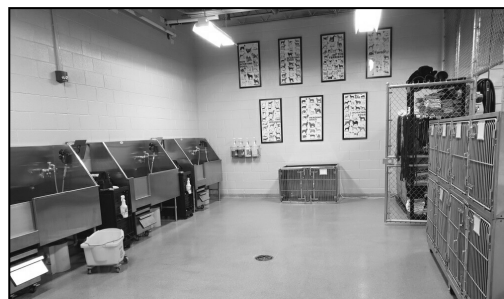

To say that we were impressed is an understatement. We were amazed. If only we could of had this opportunity!

Fellowship and lunch was enjoyed at Roma's on Main Street, Prosperity. After lunch, we headed back to St. Jacob's.

Watch the worship folders and bulletin board for November Meeting information.

## **SOUTH CAROLINA MISSION DISTRICT MEETING**

---

As reported earlier this year, our Carolinas Mission District will divide into four smaller mission districts forming the Carolinas Mission Region. One of these will be the South Carolina Mission District. On November 19<sup>th</sup>, the NALC congregations in South Carolina will meet at St. Peters Lutheran Church in Chapin. All NALC clergy in South Carolina, and delegates from each congregation will vote to elect a Dean. St. Jacob's will have one delegate. Visitors to the meeting are encouraged to attend. A light meal will be served prior to the meeting at 6:30 PM. Please call the St. Jacob's church office if you plan to attend.

## **ALL SAINTS SUNDAY**

---

This year, the Sunday of All Saints will be observed on November 3<sup>rd</sup>. All Saints Sunday is a day when the Church Militant (those saints who are still living) remembers and gives thanks to God for the lives and the witness of the Church Triumphant (those saints who have passed from earthly life). Traditionally, this is done through prayer and the lighting of a candle. During the Baptismal Rite, candles are given for the newly baptized with the words "Let your light shine before others, that they would see your good work and glorify your Father in heaven.

This year, we especially remember the light and the love of these saints from our church family who have completed their pilgrimage on earth within the last twelve months. Bob Shields, Pearl Cribb, Rie Eargle and Harold Driver have completed the work God gave them, yet their light still shines. Join us on November 3<sup>rd</sup> for this celebration of saints, and give thanks to God for all His blessings.
