Pastoral Devotion for August – Lord, Hear Our Prayer

Read: Mark 9:14-29

There is one thing that is fairly certain, we all, at one time or another, ask people to keep us in their prayers. Another thing that is certain is that others have asked us to do the same. Prayer is a central part of Christian living. We pray for healing, comfort, peace and happiness. We pray for so many things, but what happens when we do not immediately recognize God's answer?

Some, although they believe, begin to have doubts. The man, whose son was possessed, believed one of Jesus' followers could cast out the demon. When this did not happen, doubt crept into the situation. The word "if" is pursed upon his lips; "If you can...help us."

Jesus teaches us the power of prayer. "Ask and it will be given. Seek and you will find" (Mt. 7:7-8). Our Lord teaches that as you pray, do so believing that you have already received that for which you pray. It is no small task; because of doubt, we often need visible proof that our prayers are truly answered. Still, God is faithful. As we pray in faith, the Holy Spirit provides us

with confidence that God indeed hears our prayers and provides all we need.

As we continue to live in Christian fellowship with one another, we pray for the wellbeing of those whom we love, and even our enemies. We all need prayer; it leads us to greater faithfulness and confidence in believing the truth of God's promises.

Continue to live a life of prayer, not simply for yourself, but for others as well. For as James says, "Confess your sins to one another and pray for one another, that you may be healed. The prayer of a righteous person has great power as it is working." (James 5:16)

Prayer: Lord, in your mercy, hear our prayer. Amen.

Catechetical Instruction to Begin in August

The Confirmation process will soon begin for several of our younger church family members. Emma Covalt, Gabriel Covalt, Samantha Monts, Copeland Peoples, Bryleigh Prosser, and MacKenzie Raines will all be joining Pastor David for lessons in the Old and New Testaments, as well as exploring Luther's Small Catechism. The two-year period of instruction will conclude on Pentecost Sunday in 2026. That seems like a long way off, but truly the

time will pass by quickly for these faithful youth members. Please pray for them as they embark on this journey where they will come to the point when each one will stand and publicly claim the promises God made to them at the time of their Baptism. Confirmation Instruction is currently scheduled to begin on Sunday, August 25th at 3:00 PM in the church office.

From Your Pastor's Heart

We give thanks to God always for all of you, constantly mentioning you in our prayers, remembering before our God and Father your work of faith and labor of love and steadfastness of hope in our Lord Jesus Christ. 1 Thessalonians 1:2-3

So far, for many people this has been quite a summer. For some, the days have been dreadfully hot and dry. For others, summer has brought with it an opportunity for vacation and travel with family and friends. And for those who are apt to volunteer, it has been a summer filled with church work. I can count several people for whom this has been a summer of recovery from illness or medical procedures. We have members of our church family for whom this has been a summer of mourning and grief. In all of these, I can say that as your pastor, it has been a summer of prayer.

In his letters to various churches, the apostle Paul consistently begins by lifting up prayers of thanksgiving for the saints to whom he is writing. Whether he is writing to Christians just coming to faith, a church needing encouragement, or a congregation mired in conflict, Paul gives thanks for the faith of those who call upon the Lord Jesus Christ as their Savior. In doing so, Paul sets a wonderful example for Christians in all places to follow. When I read Paul's words concerning his thanksgiving and prayers for others, I usually find myself spending a good bit of time in prayer for St. Jacob's.

As some of you know, I like to begin my week in prayer for our church family. One ritual is to take the Sunday worship bulletin and pray for those on our various prayer lists. One by one, the names of people who are sick, recovering or homebound stand out. I pray for the various friends and family members who are not members of our congregation but listed as those needing continual prayer. It's humbling to know that, even as we pray for others we do not know, through faith, our prayers are heard and received by our Father in heaven.

Another prayerful activity I enjoy is going through our church directory and simply praying for church family members whose names randomly come to the forefront. I sincerely believe that as I look through the listing of families, God calls me to pray for certain individuals or families for whatever circumstances they may be experiencing. Sometimes, I will send a card to

those for whom I pray so they know their pastor prayed for them. Sometimes, people will tell me that the card came at just the right time; that they really needed to know someone prayed for them. For this reason, it is important that we keep up our relationships with our prayer partners.

I think that in this summer of prayer, the thing I have enjoyed most is knowing how many St. Jacob's church family members, and members of congregations in my past, have prayed for me. This summer has brought challenges to my health that I had never foreseen coming. Like many people to whom I have ministered, I find myself facing the realization that our bodies do not last forever, and that they truly do need the care and attention of those whom God has gifted for medical procedures.

Needless to say, I'm likely not the most agreeable patient, and I truly don't like sharing such personal information. But in order to practice what I have preached for nearly twenty years, I have softened my stance and learned that there is no weakness in asking for prayer. In fact, it takes great strength to open up and solicit the prayers of the faithful.

I'm thankful for the blessing of being your pastor, and in the words of St. Paul, I give thanks to God always for all of you, constantly mentioning you in my prayers. Thank you also to the many who have prayed for me. We are all blessed with the gift of God's love, especially as we share his love with one another, giving thanks in all circumstances for the grace God makes available through his son Jesus Christ. As always, I will continue to keep you in my prayers.

Grace and peace,

Music Notes

Handbell camp 2024 has come to an end. We've learned much about reading music, we've learned how to make bells "sing", and we learned about the liturgy of our church service. This final week, we read about the Passover and the Last Supper and concluded with baking communion bread for Sunday's service. Thank you to everyone who got kids to camp, provided meals and stayed as an extra adult on duty. It's been a great summer.

Make a *joyful* noise to the Lord, all the earth!

Serve the Lord with gladness!

Come into his presence with singing!

Psalm 100 tells us that it is God who has made us and all that we have. David tells us to come into the house of the Lord making a joyful noise, to come to Him with singing. He doesn't say our singing has to be professional or anything other than a joyful noise, and we are all capable of that.

Chancel choir practice begins Wednesday, September 4 at 5:30 pm. We will share fellowship and dinner in the church office building and follow with a reading of the music for this fall. Please join us. All are welcome. No prior experience is needed. Think you can't sing? I bet you're wrong. Come, give us six weeks and see how it goes. Can't commit to weekly rehearsal? Join us for the Christmas cantata. Can't sit with us on Sunday morning because you have children to sit with? Sit with your family and come to the choir loft for the anthem. We need you. God wants you. Please join us.

Please let Angela know if you will be attending the meal on September 4 so we can plan the food. Thank you and God bless you.

VBS

Thank you to all of our volunteers for making VBS a success! Thanks to all of our participants for spending your nights with us at VBS as we studied "Truth comes from God", "God's Plan is Best", "Everyone Sins and needs a Savior", "Everyone Needs Jesus", and "Jesus is the only way!".

St. Jacob's Youth Bible Study

After a week together during VBS in June, the senior youth asked for a continuation of our studies together and were eager for more opportunities to grow in faith. David Kibler and Susan Shealy are the main adult leaders, but it is the youth who help guide and direct what they want to study and offer prayers for the group. The youth grades 7-12 meet each Wednesday from 7:00-8:00 PM at the church office. Any youth interested in joining us, please talk to David or Susan. What an amazing group of young people and what a blessing it is to spend time with them!

Up and Going

The July Up and Going Meeting was held on Thursday, July 11th at 11 AM in the Fellowship Hall with 19 attending.

Helen Lindler, Team Leader, gave the devotions “From the Heart with Candace Cameron Bure” entitled “Embrace Joy in the Rhythm of Your Everyday Life.” Candace challenges each of us: “This summer you might be surprised to discover that when we look for the joy of the Lord in everything, we find it.” Helen passed out an article entitled “Discover the Keys to a Flourishing Life!”

Bob Ziemer gave a most interesting program on Prayer, talking with God. Bible reading was from Matthew 6:5. Bob read to us Luther’s Morning and Evening Prayers. Luther instructs us that prayer is a Labor above all Labors. Do not forget: Prayer is a duty commanded of us by God.

Everyone enjoyed a delicious lunch of various meats, salads, vegetables and desserts. So delicious!

Business was conducted before lunch. Treasurer’s report was given by Gary Marco.

The blessing for our meal was given by Helen. The August Meeting will be our Annual 4 Churches Meeting at Mt. Tabor Lutheran Church, Little Mountain, on the 3rd Wednesday, August 21st at 11 AM in their Fellowship Hall. They will provide the meat, rolls, tea and paper products. We each are asked to bring a covered dish or dessert. Please attend if possible. This is always a very special time together.

Active Shooter Training

The Safety Team held a very interesting and educational program on the evening of July 14th in the Fellowship Hall. The program began with an ice cream sundae bar that was much enjoyed by everyone. Then Senior Special Agent Marion Baker from SLED presented “Active Shooter in Today’s World”. This presentation included guidelines on how to prepare for a potential active shooter incident. The congregation learned tips and skills to deal with an active shooter situation including what to do and what not to do as well as how to interact with law enforcement during an incident. The program was well attended with over 50 people present.

Dear Friends of Sistercare,

Thank you for your generous donation of \$250.00. Every contribution positively impacts the lives of domestic violence survivors and children we serve in our local community.

In 2023, Sistercare provided trauma-informed, comprehensive services including emergency shelter, crisis intervention, safety planning, individual, child, and family counseling, rural outreach, and legal advocacy to 4,008 survivors of domestic violence and their children.

Sistercare fulfills a great need in the Midlands, and the support of kindhearted donors like the congregation of St. Jacobs Church allows us to continue providing impactful and empowering services while helping to break the cycle of violence.

We greatly appreciate your support of Sistercare and the families and individuals we serve who deserve a life free from abuse.

Because We Care

“And do not forget to do good and to share with others, for with such sacrifices God is pleased.”

Hebrews 13:16

St. Jacob’s Lutheran Church,

We Care continues to be incredibly grateful for all the amazing ways God shows Himself faithful to those struggling in our community, especially through gifts like yours! Thank you so much for “not forgetting to share with others” through your generous donation!

Temperatures have been soaring even early in the summer, and clients struggle to keep up with the resulting utility bills. In addition to high electric costs, clients also are juggling the extra needs that summer presents in having children home all day, meaning that families do not have access to school feeding programs that provide daily breakfast and lunch. We also are experiencing a significant increase in new clients coming to us for help. We are committed to help everyone who comes to us!

At the same time that needs are increasing, we also are seeing a decrease in donations. We have been praying for provision, especially for our most needed items, including toiletries, cleaning supplies and paper products. Keep up with all our most pressing needs by subscribing to our monthly newsletter on our website www.ChapinWeCare.org or following us on Facebook.

You are making a difference in the lives of our clients! Your kindness to remember their struggle is such a blessing to us as we seek to meet their needs and let them know that they are seen and loved.

How I would love for you to see the love you are giving! Know that every dollar counts and we could not be more appreciative! May we all remember that our sacrifices to share with others are pleasing to God. Be richly blessed in knowing the difference you are making! Thank you!

Sincerely,
